

INTRODUCTION OF JANET REHBERG

Janet Rehberg is a native of Fort Smith, Arkansas. She is a graduate from The University of Tulsa where she received her bachelor degree in electrical engineering. She is also a graduate from Capital University with a Master in Business Administration. Janet is a Certified Energy Manager (CEM).

She has worked for American Electric Power for 8 years in various departments including engineering, planning and customer services. She is currently a Consumer Program Coordinator for low income and gridSMART programs which includes Behavioral, SMART Appliances, Electric Vehicles and Home Area Network.

Outside of school and work, she is involved in Toastmasters and was the VP of Public Relations. She is also very involved with Big Brother Big Sisters where she's currently a mentor for an 8th grade girl. In 2011, she and her match won the "Match of the Year" Award. She was recently asked to be on The University of Tulsa Industrial Advisory Board to help restructure the Electrical Engineering Department's strategy and objectives.

Janet joined Women's International Networks of Utility Professionals (WINUP) in 2005 where she helped charter the Oklahoma Chapter. In 2006, she moved to Ohio and transferred her members to the Ohio Chapter. She served as the Ohio Chapter Chair in 2009 and 2010 and is currently the 2012 Conference Chair.
