

Lila (Post) Munsey

Lila was the past WiNUP Ohio Chapter's Chair (2007) and past WiNUP international president (2010). She led the International Board to host the very successful 2010 conference in Atlanta, Ga. – a state without a WiNUP chapter. Lila was a long-time Ohio Chapter member and moved to Kentucky Chapter after a mid-term job promotion in 2010. She is the 2012 recipient of WiNUP's prestigious OAK Award, which honors members for their contributions to the organization.

Lila has been employed by American Electric Power for 35 years. She started at Appalachian Power as a hydro Engineer in 1978. Since then she has held a variety of positions on the regulated side of business. In July 2010 she became manager of Regulatory Services at Kentucky Power Company. Lila received an MBA from the Fisher College of Business at The Ohio State University. She received a BS in Civil Engineering from Purdue University.
