

Teri Berliner

Teri was a past WiNUP Ohio Chapter's Vice-Chair (2004) and Chair (2005). Additionally, she held five international officer positions: Treasurer (2004), Secretary (2005), Vice-President (2006), President (2007), and Immediate Past President (2008).

Teri has been employed by American Electric Power since September of 1985 and has held a variety of positions on both the regulated and unregulated sides of the business. In February 2013 she became manager of Performance Management in Transmission Field Services (TFS). In this role, Teri is responsible for budget coordination and reporting, process improvement, benchmarking, business case development, metrics and scorecards for the TFS organization.

Teri received a Bachelor of Science degree with majors in statistics and psychology from Bowling Green State University, a Master of Applied Statistics degree from The Ohio State University and an MBA from the Fisher College of Business at The Ohio State University. Teri is an AEE Certified Energy Manager and a member of the American Statistical Association. Teri also serves on the United Way of Central Ohio Campaign Cabinet, participates in the Columbus City Schools' Project Mentor program, and is on the Columbus Zoo and Aquarium's Association Board.
